8.5 Giving and getting information

You must give true, correct and complete information

To consider your application for membership, UKZN must learn more about you and those you apply for. Information about you and those you apply for must be true, correct and complete. This includes the details you give in this application form and in future dealings with us. It is important that you tell us about any medical condition, symptom or illness relating to you or those you apply for, even if you do not consider it relevant to your application. We may ask those you apply for who are 18 and older for more information about themselves.

Your legal address

We will send documents to you at the address you indicated as the communication channel you prefer to be contacted on. If it is necessary to send you any legal notices or summonses, our legal team will serve these at the physical address you have given, or at any other address you have given us. 8.6 About becoming a member

UKZN might not pay for certain expenses immediately after you become a member

UKZN may have waiting periods that apply in certain circumstances. This means there may be a set time period before UKZN starts paying for any general or specific medical conditions. Please speak to your employer to find out if waiting periods apply to your membership and the memberships of those you apply for.

Resign from current medical schemes when accepted

It is illegal to be a member of more than one medical scheme at the same time. You and those you apply for must resign from your current medical schemes when you receive notice from UKZN by letter, email or SMS telling you that you and those you apply for have been accepted.

You must ensure contributions are paid on time

As the main member of UKZN, you are responsible for ensuring that your contributions and the contributions of those you apply for are paid on time every month to avoid suspension of benefits. The Scheme has the right to amend monthly contributions and benefits from time to time.

8.7 Repaying money owed to the Scheme

UKZN has the right at any time to collect from you any amount that you owe to the Scheme. We will notify you if there is any amount that you owe to the Scheme.

You must repay any medical savings owing if you leave UKZN

When you become a member, depending on the plan you chose, you may have money available in advance to use for medical expenses during the year. This money is made available in an account called the 'Medical Savings Account'. If you leave UKZN before the year is up, you must repay the portion of medical savings you have used that is more than you have paid back to UKZN over the year.

By signing this form, you agree that any money you owe to the Scheme may be deducted from any future claim payment amounts that are due to be paid to you.
